## Banner Group

At present there are three church members in the Banner Group.

We meet on most Monday afternoons if we are all available. For the privilege and enjoyment of sewing church banners, we each pay 50p to cover materials and haberdashery items, so there is no cost to the church.

During 2013 we made 2 banners -

- One was 'God Loves You' - this replaced an identical banner which we had donated to a church in Australia where Ruth Thompson's sister is a member and
- One requested and funded by the Street Pastors in Chandlers Ford.

During the early part of 2014 we were joined by a member from Avenue St Andrews URC who helped us to make a new South West Hants Group Banner using the Group logo designed by Tim Elkin.
